

Atholl House Deli Platters

In 2024 we are delighted to bring back our popular platter experience on Friday and Saturday nights. Our platters are made from carefully selected produce, with a focus on small Scottish artisan producers.

One platter is a light meal for 1 person or why not share two different platters?

SCOTTISH CHEESE PLATTER – 4 carefully selected artisan cheeses to tempt and delight!

MEAT PLATTER- includes quality charcuterie, ham and pâté from Scotland and beyond.

FISH PLATTER – Scottish smoked and cured fish selection and homemade fish paté

VEGAN PLATTER – Scottish vegan cheese, homemade hummus, falafel and marinated artichoke, or swap the vegan cheese with dairy cheese to make a vegetarian platter.

We are happy to offer a mixed platter of 4 items from any of the platters

Feel free to add additional items to a platter (£3.50 each)

All of our deli platters are served with local bread, Scottish oatcakes, crackers, butter, dipping oil, olives, Highland chutney and a salad garnish.

Each platter £21.50, Platter and a bowl of homemade soup - £24.50

Enjoy, relax and savour a taste of the finest Scottish produce
